

IDEAL

SHRED & FORGET

Outdated important documents
don't belong in the wrong hands –
they belong in the right shredder.
Shred & Forget – paper in, worries
out.

**INSERT, TICK OFF, DONE.
PAPER STRESS-FREE HOME OFFICE.**

**IDEAL Shredcat 8200.
Compact. Quiet. Powerful.**

HOME OFFICE POWER FOR SENSITIVE DATA.

Specifically designed for the home office: compact, powerful, and whisper-quiet. Security levels up to P-5 cross cut ensure maximum data protection. Easy operation with a multifunction switch, automatic start-stop function, and a viewing window make shredding effortless – GDPR-compliant and up to 16 sheets at a time.

- Quiet yet powerful
- Simple operation
- GDPR-compliant

TRY IT NOW!

The easiest way to a paper-free desk.
