

FLAT CLINCH

MAX

Heavy Duty Electronic Stapler EH-110F

EH-110F can staple with precision up to

110 sheets
(64gsm)

100 sheets
(80gsm)

of paper.

Made in Japan

"Auto cutting staple legs"
and *"Flat Clinch"*
mechanisms provide a beautiful stapling finish.

EH-110F provides you with professional-quality stapling.

Auto & Manual stapling switch

It is possible to select between "Auto-stapling" and "Manual-stapling" using the selector switch.

LED indication lamp

Easily know when you need to replace/clear/feed staples by the color and flash of the LED indication lamps.

User-friendly paper table

Wide paper table prevents papers from being dropped or bent. Guide lines help you staple at suitable positions and equal intervals.

Clear case

The actual stapling position clearly from any angle.

Adjustable stapling depth

Stapling depth has an adjustable range of approx. 3 to 23mm (1/8" to 7/8").

Reusable staple cartridge uses staple refills

New staple cartridge is reusable and you only need to replace staple refills No.110FE. One refill can staple 4,000 times.

Easily clear jammed staples.
