UCHIDA VS 55

PAPER DRILLING MACHINE

Do you have large quantities of papers which require drilling of round holes? Uchida's **VS-55** paper drilling machine is the best selling equipment to do this job. A wide range of drill bits from 2mm-13mm allows you to drill holes of your preferred size. An optional Round Corner Unit makes beautiful round corner on every card, tag, etc....

Features

- Automatic centering
- No paper slip
- Heavy duty office machine
- Interchangeable drill bits
- Pre-program selection of hole pattern
- Dual or multiple hole drilling capacity
- Added versatility
- Easy punching
- Wide range of bit diameter from 2-13mm

VS-55 is the standard model tabletop drill. By rotating the pre-programmed pitch bar dial, the desirable hole pitch can be selected from several pitch patterns.

Phase	Pitch assortment of the pre-programmed pitch bar for VS-55
Phase 1	2 holes: 80mm
